Finance: We have spent more than our income. General fund has £5750.71 History Group £898.54 Tennis Court fund £1422.31 we have now purchased and installed the basketball hoop at the tennis court. The quote for resurfacing the court is 20,000 but, would need to raise £30,000 due to rising costs. DO we really want to proceed with this when the surface is still playable. The Jubilee fund has £150. We received £5 from Amazon smile this has now been discontinued £6.13 from swap and share.
The account are presently being examined they will be ready for the AGM there is a fee of £50 for the independent examination.
Matters arising:
Tennis Court: The basketball hoop in place and being used. We need to make a decision on the resurfacing do we leave it at the moment or continue looking for funding most available grants are only to the value of £5000 committee agreed to leave it at the moment but keep a look out for funding.
Kevin has the materials to reline the court he will also deal with the weeds.
